

Happy Valentine's Day!

To my Little Devil,

Oh, the things you do! Sometimes you can be so naughty, spilling toys all over the floor, making messes, and talking back. But when you are nice, and sharing and being sweet, my heart just melts.

You tempt and tease, and cry, "Please, Please, Please." But what can I do? I'm madly in love with you.

For you are the sun in my sky, the last chocolate chip in the bottom of the empty cookie bag. You are the twinkling star in the night sky that I wish upon each day. You are a wriggling fish; a bouncing ball; a whirling dervish; a racing car. It's all I can do to keep up with you!

Yet every morning I wake, and wonder what the day will bring with you in my life. The tantrums, the tears; the smiles and kisses. The way you see the world with wonder. You make me see the world through your eyes, and I am young again. Everything is new and marvelous, because of you. I don't take a minute for granted, for each day with you is a gift. You make me want to tear my hair out; you make me want to kiss away the boo-boos. My life is full because of you. I wouldn't have things any other way.

No matter you act like a little devil sometimes, you are my precious angel. No one will ever be quite like you. You are special, you are rare. And when you finally go to sleep each night, my wish for you is all the sweetest dreams in the world. Chocolate hearts, and flowers fair. Sunny days, blue skies, soft music in the air. A gentle breeze. A squeeze. A hug. A kiss.

Know that you are loved, beyond compare. For all that you are, and all you do. My love for you knows no bounds. My arms open wide, my heart be still. Mud pies and puddles, drips and spills, I love it all. And I love you.

So say you'll be mine, this Valentine's Day. I love you more than words can say. You'll never know a heart more true, to love you as I do. Devil and Angel, all one and the same. You are mine, and I am yours.

Happy Valentine's Day!

Be mine always, XOXOX
